SUNDAYS 1-5**

For over a century the lower Connecticut River Valley has attracted creative artists. In 1900 Henry W. Ranger, an artist in search of inspiration, found in the region around Old Lyme an abundance of natural beauty. Through his work and his enthusiasm for the material he had discovered, he excited the interest of a few of his fellow artists in landscape painting in this area.

Two years later this small group held a two-day exhibition in the Phoebe Griffin Noyes Library and thereby pioneered America's first summer art show. The proceeds from the fifty cents admission charge were donated to the library. (A circulating library existed in Lyme as early as 1787.)

Next year, 1903, the poster announcing the second annual three-day exhibition listed nineteen exhibitors and a train schedule to and from Hartford, New Haven and New London, with a footnote stating "A stage will carry visitors to and from the trains free of charge."

With a gradually extending exhibition period and a growing membership of nationally known and distinguished artists these shows continued to be held in the Public Library until 1921, when the present gallery designed by Charles Platt was inaugurated. This gallery has the unique distinction of being the first art gallery known to have been built and financed by the artists themselves.

AN INVITATION

As the association is not endowed it is obliged to depend upon the kind support of interested people. Therefore you are cordially invited to join as either an Associate, Contributing or Fellow member. All such members receive season tickets covering the three annual exhibitions and also invitations to each of the opening parties.

The Members of the Lyme Art Association, Inc. pay tribute to the memory of Miss Florence Griswold. Because of her deep interest in art and her benevolence and generosity, she made possible the use of her spacious home for many artists who wished to paint in this vicinity.

Miss Florence, a gracious lady with a friendly personality, stimulated a rare community group spirit among the artists. This group, including many famous American landscape painters, formed the nucleus of the present Lyme Art Association, Inc.

We have cherished memories of her contribution to the art of the community.

Visit the FLORENCE GRISWOLD HOME — just over 100 yards north of this gallery on the same side of the street. Headquarters of the LYME HISTORICAL SOCIETY. Open 2 to 5 P.M. Daily, except Mondays. Admission, 50 cents.
